

# PRO-CONTROL DUAL CHOICE™ ANT BAITS

FOR COMMERCIAL, INDUSTRIAL AND RESIDENTIAL USE INCLUDING:

Food Processing Plants, Eating Establishments, Food Marketing-Storage-Distribution, Hospitals, Nursing Homes, Schools, Office Buildings, Apartments, Laundries, Buses, Aircraft, Boats, Museums, and Zoos.

Ants are attracted to the bait in Pro-Control DUAL CHOICE Ant Baits. The bait food is carried back to the nest to kill the queen and destroy the entire colony.

#### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Break Pro-Control DUAL CHOICE Ant Baits apart from the plastic frame before placement.

Place baits by ant trails or close to areas where ants are present, even on food preparation surfaces or next to food. Do not place baits on food preparation surfaces when food is being handled or on utensils that are used for food preparation. Also place adjacent to walls, electrical lines, potted plants, waste receptacles, sensitive electronic equipment, inside drop ceilings and wall voids or anywhere ant problems occur. To apply baits to vertical surfaces use the enclosed stickers.

Do not use residual sprays with or near Pro-Control DUAL CHOICE Ant Baits.

Ants will begin to feed—population reduction and less activity can be expected in about a week.

#### FOR EFFECTIVE CONTROL

Use 3-4 baits for the average size room.

Use 6-8 baits for heavy infestations.

Bait stations are designed to be visually inspected. This allows for monitoring and timely replacement. Replacement is recommended after 3 months or when bait is almost entirely consumed (do not risk loss of control by allowing complete consumption.)

Pro-Control DUAL CHOICE Ant Baits are packaged in a Child Resistant Container.

#### STORAGE AND DISPOSAL STATEMENTS

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a cool, dry area inaccessible to children.

DISPOSAL: Wrap container and put in trash collection.

Manufactured for:

San Antonio, Texas 78217  
Phone: (210) 654-8570
